Jerusalem, July 2020

Dear Friends,

Thank you for your friendship, prayers and for all your financial support. I am well in spite of the very difficult situation in Israel, also because of the corona Virus. There are almost no flights to and from Israel. Tourists and also volunteers cannot enter the land in the moment. Everything takes more time, like the post and we have to wear masks. In my house in Jerusalem I took in two men with an Israeli Passport. They both are looking for an apartment in Jerusalem, but it is a blessing that they are in these months in my house, because I have no volunteers. They help me in fixing the house and also one of them is staying some days of the week in Migdal. I want to take in new immigrants but the doors have not yet opened.

The congregations in Jerusalem went back to Zoom meetings on the computer, because from today on only 10 people can meet in a closed room. It would be very unwise for me to leave Israel at this time, because it is not sure if you can come back. So, I am looking for a way how to stay in contact with my good friends abroad, who have been supporting me in prayer and financially all this year. I started some prayer meetings on Zoom and you are welcome to join. For some months we meet already on Sunday morning at 9 a.m. Israeli time (European time 8 a.m.) together with some members of Kehila Poriya. On Wednesday morning or afternoon, we could have another prayer meeting in English. If you are interested please send me your WhatsApp number because the invitations and the link are sent out via WhatsApp. On Saturday afternoon at 4 pm Zimbabwe time, we pray for Israel and Africa with brethren from Afrika and those who are investing their lives in Africa.

We are still trying to help those brethren in Israel, who have lost their Jobs because of the corona virus. Especially those, who worked in the tourism branch have no work.

Jesus talks about a time of birth pains. In Mark 13,8 and 9. If a woman is in labor there might be some relaxing times between but for sure the labor pains will increase until the baby is born. I don't think we come totally back to the old times but the birth pains will increase until the Kingdom of the Lord is appearing.

The political situation is very difficult and complicated. Please pray for the government in Israel, because a wrong decision could have tragic consequences as Israel is surrounded with countries, who have not peaceful intentions.

My little book in English was now new corrected and also extended with some more bible studies. It is in the attachment and you can print it out or read it online. Soon I hope to print it again since I do not have any copies anymore.

In April we had in Israel almost for a month no eggs. I have now chicken in Migdal and hopefully soon also some eggs.

Every Friday at 9 a m I invite some friends for a boat ride on the lake of Galilea. Jews, Arabs and Gentiles from many nations enjoying it very much.

If you like to know more about the political situation here, you can get new almost every day under this E-mail address for free. World Israel News news@worldisraelnews.com

Thank you again for all your support your friendship and your prayers. Shalom from Jerusalem and greetings from Christa Behr
